VERSA-LATCH

MAGNA LATCH

The Versa-Latch and Magna Latch feature a magnetically activated mechanism in addition to a keyed lock for even more security. These low friction latches are reliable, self-latching and highly effective. The Versa-Latch comes standard with all of Delgard's walk gates except Guardian Series which uses the Magna Latch.

DELGARD
PREMIER ALUMINUM FENCING

Residential

The residential grade offers the classic look of a wrought iron fence without the associated maintenance. It is best suited for swimming pool enclosures or as decorative perimeter fence around most homes. Residential fencing offers a limited lifetime warranty.

BRONZE RESIDENTIAL AVALON w/BALL CAPS & TRIAD FINIALS

BRONZE RESIDENTIAL GUARDIAN DORIA

- 5/8" square pickets, 1" square rails, 2" square posts
- Available heights: 36", 42", 48", 54", 60" and 72"
- Sections are pre-assembled in 6' lengths

Aero

Offering a unique contemporary design, the Aero grade features rounded corners on the rails, pickets and posts providing a softer more elegant look. Aero fencing is constructed from maintenance free aluminum and offers a limited lifetime warranty.

WHITE AERO SENTRY

BLACK AERO GUARDIAN ELBA

- 1" x 5/8" rounded pickets, 1 1/2" x 1 1/8" rounded rails, 2 1/2" rounded posts
- Available heights: 48", 54", 60" and 72"
- Sections are pre-assembled in 101" lengths*
**Sentry fence offered in 71" length.*

Commercial

For large properties where security, aesthetics and superior strength are most important, choose Delgard's commercial grade. Combining strength, as well as beauty, commercial fencing is constructed from maintenance free aluminum and offers a limited lifetime warranty.

BLACK COMMERCIAL MADRID WITH ROYAL CAPS
